Allowable Subject Matter

Claims 1-43, and 73-74 allowed.

The following is an examiner's statement of reasons for allowance: Prior arts either alone or in combination doesn't show or teach "wherein different types of documents visited by a same application are added to the sequence of places, and wherein types of places that can be added, if visited, also includes different user-activatable commands of the application and different documents opened by the application." in combination with other features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
